

Certified Court Reporters Association of New Jersey

CCRA-NJ is excited to announce that we are instituting a new membership recruitment program!!

This new recruitment program is called the “Member-Get-A-Member” program. CCRA-NJ appreciates all the support you have provided to the organization over the years and also realizes that you are uniquely qualified to help CCRA-NJ grow so we can continue to expand the services we offer our members. *To put it simply more CCRA-NJ members means greater resources and that will help CCRA-NJ remain a resource for you.*

The program is very simple and will also provide you a way to save money on CCRA-NJ membership and educational programs. For every new Reporter member that you recruit you will receive \$25 CCRA-NJ “Bucks” that you can use to trade in to help reduce your membership or education costs for any CCRA-NJ programs. There is not a limit to the amount of “bucks” that you can accumulate so there is a possibility that you could fund your membership and March and/or October conference registrations through this program. CCRA-NJ “Bucks” are not transferable.

How the program works

As you talk with professional colleagues that would benefit from CCRA-NJ membership and the benefits and resources that we offer just tell them about CCRA-NJ, why you are a member and what you get from your affiliation with CCRA-NJ. If the person is interested in joining simply give them a printed membership application or tell them to go on-line to join. When the new member joins CCRA-NJ they just need to put your name in the “Recommended by” field. If using the printed application they need to add your name to the field on the form. This is important since them providing your name will make sure you get the CCRA-NJ “Bucks”. If a person joins CCRA-NJ now they will get the remainder of 2015 and all of 2016 for the single payment.

Detailed instructions on how people can join online are below:

1. Go to www.ccra-nj.org .
2. Click the “Become A Member” menu item on the left hand menu bar and click “Membership Application” if registering online or the “payment by mail option” if you want to print and mail a form to us.
3. The new member needs to enter their email address and the new member application will come up.
4. The new member needs to complete the form and make sure they put your name in the “Recommended by:” field that is on the first page of the membership application.
5. The new member can pay on-line by credit card or they can send in a check later.
6. The person is now a member of CCRA-NJ and you will receive an email notifying you that you have \$25 in CCRA-NJ “Bucks” to spend on CCRA-NJ membership or educational programs.

If you want to print out the membership application for any colleagues please use the link below. Please remember to have them place your name in the “Recommended by:” field on the application. Or if you want to print out a few copies of the application and distribute them you could pre-fill your name in that field. The membership application is on the website (www.ccra-nj.org) and click the “Membership” selection on the side menu bar.

At the end of each quarter you will receive an email which includes the names of the new members you have recruited and the amount of CCRA-NJ “Bucks” you have remaining to be used. Any questions about the program please call Tim Bower at 856-875-0818 or by email at ccra-nj@bowermanagementservices.com

**** A new member will be defined as a member that has not been an active CCRA-NJ member for the last 4 years.**
